for the Church of Jesus Christ of Latter-day Saints

The Park Town Family History Centre in Johannesburg, South Africa has a collection of twenty-one books containing genealogical information from the tribes of South Africa that are treasures. They were created by the South African Government in the 1950s and they are no longer in print. They include genealogies of tribal leaders and they each include an index. Those indexes have been compiled in this document for ease of viewing and researching.

For inquiries, contact the Centre at [fhcjh@churchofjesuschrist.org](mailto:fhcjhb@churchofjesuschrist.org).
